Income Protection for Members of the Avon Chamber of Commerce

How would your life change if your income suddenly stopped? Many people who unexpectedly get sick or injured not only lose their health, they lose their ability to make money. If this were you, how would you pay for rent or mortgage, utilities, groceries?

The good news is Mutual of Omaha and the Avon Chamber of Commerce have teamed up to offer you a way to protect your income from the threat of disability. Mutual of Omaha's disability income insurance policies provide a monthly benefit if you suffer a covered illness or injury. It's like getting a paycheck even though you can't work.

For you, as a member of the Avon Chamber you are eligible for preferred rates and benefit enhancements that are not available to the general public: premium savings of 15 percent and an additional 10 percent added benefit for self-employed members at claim time.
