Sharon was pleased to announce that PA4U now has Regina who has joined her team as an organizer.

Review of the Healthcare Launch-

Great networking event, but, we did not have a lot of traffic.

Next event we focus on marketing, venue, demos, and companies/venues we can partner with to increase traffic/awareness.

The Library was a nice venue, but, we did not get any support from the Library.

The next event will be in the Spring.

Develop new demos that the public may come for.

Look at targeting a certain demographic and target that specifically.

\*For the next meeting- please come with suggestions on what type of venue/company we can partner with that would bring in a large crowd.

Some suggestions included: Farmers Market at the library, Healthtrax, Carmons Funeral Home, and Business after Hours.

Currently looking for volunteers (do not need to be experienced speakers) for the Speaker Bureau. Please send 2-3 sentence bio., topics you would cover, and contact info. *Examples have been attached.*

Jeanne has retired from the Chair position and the Council is currently looking for a new chair.

We will not be meeting in December. The next meeting will be on January 15, 2018 at River Ridge At Avon. We will have an agenda present at the meetings moving forward.
