Support Local First Businesses

When you shop at a local business, a significant amount of that money stays in the community and is reinvested in the form of: taxes that help enhance public services | greater employment opportunities | support of local civic and non-profit organizations | increased local business-to-business purchasing.

Since 2015, the Avon Chamber has spearheaded a **Local First** initiative that encourages area residents to look to our first-rate lodging, restaurants, shops and service providers that offer individualized, outstanding customer service when choosing where to stay, shop, dine, or locate a service.

Look for These to Know You Are Dealing with an Avon Chamber of Commerce Member.

Local First KEY CARD Program

The following Avon Chamber member businesses are stepping up to offer you a greater value through our **Local First Key Card Program**. Simply show your **Local First Key Card** at a participating Avon Chamber member business, and you will receive the discount/deal they are offering. [CLICK HERE](#) to access the Local First page on our website. Make sure to check back often, as offers are updated on a regular basis.

Make Us An Offer! If you are an Avon Chamber member and would like to participate in this program, simply [email](#) your offer to the Chamber and we will include it in our next update.

This program does not constitute an endorsement, either implied or explicit, by the Avon Chamber of Commerce of the products or services being offered, nor their quality. Offers are subject to change without notice at the discretion of each participating business.
