E.N.E. Realty Associates LLC

About Us: In December of 1993, E.N.E. Realty Associates acquired its first office building at 30 Tower Lane, Avon, CT. Two years later it purchased its second building at 20 Tower Lane, followed by 10 Tower Lane six years later. We expanded into the Simsbury commercial real estate market with the addition of a medical and office building at 225 Hopmeadow Street (on the border of Avon and Weatogue). Later, in October 2016 we acquired 172 West Main Street which is a multi-tenant office conveniently located on Route 44 in Avon.

In March 2018, 40 Tower Lane was acquired enlarging our campus to include all four buildings. **Our most recent acquisition in October 2019 was 22 Waterville Road, Avon.**

As the company grows, we continue our commitment to provide the best quality and service to our tenants. Our management is located on the premises, with low vacancy and high renewal rates as a testament to our tenant satisfaction.

We continuously strive to improve our operations.
